

How to arrange a lecture for your community group:

As a community service, the doctors at Greater Washington Dermatology will provide a lecture on various topics relating to the skin including, skin cancer, skin care, and other issues free of charge to groups of 25 or more.

We also routinely participate in skin cancer screenings at hospitals and corporations.

For more information, please call our Rockville office at 301-990-6565 during normal business hours.
