

Arranging a grand rounds presentation for your hospital medical staff.

Drs. Barnett, Colonna, and Semler are available to lecture at grand rounds either locally or regionally. Topics which have been the subject of previous grand rounds include:

- Skin Cancer for the Primary Care Physician
- Common Dermatologic Problems: Diagnosis and Treatment
- Alopecia: The Clinicians' Guide
- Melanoma: Diagnosis, Treatment, New Modalities
- Melanoma: New AJCC Classification, The Sentinel Node Procedure, and Interferon.
